Are you ready to improve your organization's competitiveness index, energy and environmental efficiency?

Via the combination of 5 innovative strategies, VULKANO offers an advanced and integrated retrofitting solution to end users and furnace manufactures in energy intensive industries.

Join our workshop to know more and get benefit from VULKANO.

- 09:00** Registration
- 09:30** Welcoming
- 09:50** What VULKANO is?
- 11:40** Coffee break
- 12:00** How your organization could benefit from "The VULKANO Solution"
- 13:30** Conclusions

Advanced Energy Recovery System based on PCM

Co-firing

Advanced Refractories

Holistic Predictive Tool

Monitoring and Control System
